**Emergency procedures - 24-hour advice in an emergency only: 0800 734 607**

| Hazard                         | Response   |
|--------------------------------|--|
| <b>Tanker/Vehicle Accident</b> | Switch off engine and electrical equipment. Keep people away, warn other traffic. Check for spills, leaks. <b>Call the emergency services: Dial 111</b>  |
| <b>Spill or leak</b>           | Wear PVC overalls, chemical resistant gloves, facemask or goggles. Prevent further spillage. Collect spilled material and place in sealable container for disposal. Wash down affected area with water plus detergent. Absorb and collect washings and place in the same sealable container for disposal. Seek advice from the local authority regarding disposal. |
| <b>Fire</b>                    | <b>Call the Fire Service: Dial 111.</b> Wear PVC protective clothing and breathing apparatus. Extinguish fires with water spray, fog or foam. During a fire toxic fumes may be released. Cool containers with flooding quantities of water until well after fire is out. Contain run-off. Keep non-involved persons away.  |

**First Aid**

|                     |  |
|---------------------|--|
| <b>If swallowed</b> | Rinse mouth with water. DO NOT induce vomiting. If any discomfort persists, seek medical advice. For advice, contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately. |
| <b>If in eyes</b>   | Hold eyelids apart and flush the eye continuously with running water for at least 15 minutes. Get medical attention if irritation persists.  |
| <b>If on skin</b>   | If skin or hair contact occurs, remove contaminated clothing and wash skin and hair with plenty of soap and water. Get medical attention if irritation occurs and persists.                          |
| <b>If inhaled</b>   | Remove patient to fresh air. If not breathing, give artificial respiration, preferably mouth to nose. Get medical attention if symptoms develop.   |

**Storage and segregation summary**

| <b>Storage</b>  | Store in original container in a cool, dry, ventilated place away from direct heat or direct sunlight. Store away from foodstuffs, animal feed, children and animals. Keep container sealed when not in use. |                              |   |                       |                |                       |
|---|--|------------------------------|---|-----------------------|----------------|-----------------------|
| <b>Aggregate storage volume thresholds</b>                          | When stored with substances of the same hazard, the aggregate quantity must be considered. For full details, refer to the current NZS8409 Management of Agrichemicals and the HSNO Regulations.              |                              |   |                       |                |                       |
| Location Certificate  | Hazardous area   | Number of fire extinguishers | Hazard class and emergency action signage | Emergency information | Emergency plan | Secondary containment |
| N/A   | N/A  | N/A                          | 1,000 L                                   | 1 L                   | 1,000 L        | 1,000 L               |
| <b>DO NOT store or load with:</b> Class 1 substances or food items. |  |                              | <b>Segregate from:</b> Oxidisers          |                       |                |                       |

**Segregation:** Check the Land Transport Rule Dangerous Goods 2005, Rule 45001/1 for additional information. Sea transport may require additional segregation. Refer NZS5433, sea segregation, for details.
