lazard		Response					- 11.1	
Tanker/Vehicle Accident		Switch off engine and electrical equipment. Keep people away, warn other traffic. Check for spills, leaks. Call the emergency services: Di 111						
pill or leak		Wear PVC overalls, chemical resistant gloves, facemask or goggles. Prevent further spillage. Collect spilled material and place in sealable container for disposal. Wash down affected area with water plus detergent. Absorb and collect washings and place in the same sealable container for disposal. Seek advice from the local authority regarding disposal.						
ire	Call the Fire Service: Dial 111. Wear PVC protective clothing and breathing apparatus. Extinguish fires with water spray, fog or foam. During a fire toxic fumes may be released. Cool containers with flooding quantities of water until well after fire is out. Contain run-off. Keep non-involved persons away.							
irst Aid
